Benefits Coverage While on Leave:
What happens with each of your benefits during a Leave Without Pay is detailed in the Leave Without Pay Benefits Checklist, found at:

A. Health/Welfare Benefits:

1. During Non-Work Related Disability: The University contribution to medical insurance will continue during your leave if you are receiving UC paid short-term disability benefits from Liberty Mutual (26 weeks maximum). You continue to be responsible for the payment of the employee portion of your medical plan premium in addition to the full premiums for any other benefits you wish to continue during your disability period.

2. During Family Medical Leave Act (FMLA): The University Contribution for Medical, Dental and Vision insurance coverage will be maintained during any leave covered by FMLA (up to 12 work weeks) to the extent coverage would be maintained if you had been actively at work during the leave period. You continue to be responsible for the payment of the employee portion of your medical plan premium in addition to the full premiums for any other benefits (legal, life, accidental, death and dismemberment) you wish to continue during your disability period. If you are enrolled in HCRA, you may choose to continue or cancel coverage during FMLA.

3. During Pregnancy Disability Leave (PDL): The University Contribution for Medical, Dental and Vision insurance coverage will be maintained during any leave covered by PDL (up to 4 months). You continue to be responsible for the payment of the employee portion of your benefit plan premiums. After your PDL period ends you must pay both the UC premium and your premium. Please verify with your department your dates of PDL eligibility.

4. During Furlough: You may continue coverage for up to four months after the month your furlough begins by arranging in advance to pay the monthly premium(s) directly to the Benefits Accounting Unit in the Payroll Office. You cannot receive disability benefits during your scheduled furlough. However, continuing your coverage will protect you if you are disabled during furlough and unable to return to work when scheduled.

5. During Other Leaves: To maintain any of your benefits, you are responsible for sending the entire premium amount (UC and employee contributions) to the Benefits Accounting Unit in the Payroll Office.

6. During a Benefits Bridge: To maintain any of your benefits, you are responsible for sending the entire premium amount (UC and employee contributions) to the Benefits Accounting Unit in the Payroll Office.

7. Other Deductions: If you have Parking or Recreational Sports payroll deductions, you must contact those offices directly in advance of your leave to prevent accumulated months of deductions from being taken from your paycheck upon your return to pay status. For information on Credit Union, Loan Programs, Auto/Homeowners Insurance, etc., contact the appropriate office directly.

B. Flexible Spending Account (FSA):

Contributions stop when you go off pay status unless you are on an approved FMLA leave. Only eligible expenses incurred through the end of the pay period in which you made the last contribution are eligible for reimbursement, unless you continue participation under COBRA.

C. DepCare Account:

Contributions stop when you go off pay status. Eligible expenses incurred through the end of the pay period in which you made the last contribution are eligible for reimbursement. You must file your claim by the filing deadline of the following year; you forfeit funds left in your account after that date.

D. Retirement and Retirement Savings Plans:

In general, contributions stop with your last paycheck. For information contact FITSCo.
