Notes

Each person is counted only once, regardless of whether they hold multiple jobs/positions in one or more departments. This census only counts those who had active jobs or were on leave on the snapshot date.

A primary appointment algorithm is used to determine which job/job type to count each person in if they have more than one job.

* Other Academic includes 963 University Extension & Cooperative Extension teachers, coordinators, and specialists.

‡ Faculty currently serving in administrative appointments are counted in their faculty appointments (e.g., Chancellor, Vice-Chancellors, Directors)

Affiliates Non-Employees are individuals who have a role recognized by the campus that does not include an appointment, pay, or student status.

No employees are expected to appear in cells that are blacked out.
