Minimum opening deposit of \$25 for BMO personal checking accounts. BMO Relationship Checking account is a variable rate account. Interest rates and Annual Percentage Yields (APYs) may change daily after the account is open. Interest rates and APYs offered within two or more consecutive tiers may be the same. In this case, multiple tiers will be shown as a single tier. The following collected balance tiers and corresponding APYs for BMO Relationship Checking account are effective as of May 1, 2024 and are subject to change at our discretion at any time: 0.01% for all balances. Interest is calculated on the entire collected balance daily at the rate in effect for that balance tier. You must maintain the required minimum collected balance for each tier in order to earn the APYs disclosed. A periodic rate is applied to the collected balance in the account daily. Interest is compounded daily on the collected balance and credited to the account monthly on the statement period date. ² For every month your Savings Builder account balance grows by at least \$200, we will credit the account with a \$5 savings reward within 5 calendar days after the end of the month. To calculate if your balance has grown by \$200, we will compare the Ledger Balance on the last Business Day of the previous month to the Ledger Balance on the last Business Day of the current month. Interest and savings reward payments will not count towards your balance growth. *Tip: Deposits made on weekends and holidays will not be processed until the next business day. To ensure your deposit is counted for the current month, avoid scheduling your recurring transfer or deposits towards the end of the month.*

Your account is eligible for 12 savings rewards beginning with the month your account is opened. The first savings reward is based on your savings growth from the Business Day the account is opened through the last Business Day of that month. If your initial deposit is not received until the month after account opening, the account will only be eligible for 11 savings rewards.

Your account must be open when the savings rewards are paid. Savings rewards will be reported to the IRS for tax purposes and you are responsible for any applicable taxes.

Exclusions:

• Savings rewards are available for new accounts only. An account switched into Savings Builder from a different product is not eligible for savings rewards.

• Savings rewards are limited to one Savings Builder account per customer as Primary Account Owner. Only your first account opened is eligible for savings rewards.

• You are not eligible to receive savings rewards if you have previously opened a Statement Savings account between February 3, 2020 and October 18, 2021 and participated in the Statement Savings account - Savings Rewards offer.
