Minimum opening deposit of $25 for BMO personal checking accounts. BMO Relationship Checking account is a variable rate account. Interest rates and Annual Percentage Yields (APYs) may change daily after the account is open. Interest rates and APYs offered within two or more consecutive tiers may be the same. The following collected balance tiers and corresponding APYs for BMO Relationship Checking account are effective as of May 1, 2024 and are subject to change at our discretion at any time: 0.00% for all balances. Interest is calculated on the entire collected balance daily at the rate in effect for that balance tier.
