

Once in **ACTIVITIES** view, you should focus on the 3 compliance workshops:

- General Compliance Briefing: UC Ethical Values and Conduct
- UC Cyber Security Awareness Training
- UC Sexual Violence and Sexual Harassment Prevention Training

Again, if you see 100% - your direct reports are in compliance.

If a topic has < 100% - click on the **USER** button.

Note: It's been brought to our attention there are some "Ghost" instances of outdated training requirements appearing for some people. We hope these will disappear when the system is updated over the weekend (July 21-22). If the upgrade does not resolve the matter, please know it is our intention to clear these out as soon as we can thereafter.
