

DID YOU KNOW...?

You have help finding the best solution for your elder.

Elder Care. SOLVED.

Your *Bright Horizons*® benefits include all the solutions you need to care for your adult and elder relatives.

Bright Horizons Care Advantage makes finding high-quality adult and elder care fast and easy. Search our comprehensive database of self-pay caregivers. Also get a needs assessment to help you find long-term elder care options.

Use your benefit when:

- An in-law needs help across the country
- You need an ongoing care companion for your elder family member
- You need a source for finding long-term care for your elder loved one
- You need help finding long-term facility care for an elder relative
